This Policy and the procedures established herein are administrative in nature and shall not be construed to replace or supersede any state, federal or local laws that also may apply to students or others. The Massachusetts Community College System reserves the right to modify or replace this policy from time to time at its discretion. By enrolling in Cape Cod Community College, all students voluntarily agree to comply with the standards of performance and behavior that are described in the Code of Conduct and other College policies.

STUDENT RIGHTS AND RESPONSIBILITIES

Cape Cod Community College expects students to conduct themselves in a manner that is appropriate to a collegiate environment. Students are expected to assume responsibility for their own behavior and learning and to respect the learning environment of others. Cape Cod Community College strives to maintain a learning environment that enhances the academic, intellectual, cultural and social enrichment of its students, faculty, staff and the community at large. To ensure that no member of the College community is deprived of this collegiate environment, student rights and responsibilities are clearly stated and behavior and discipline codes have been established.

Student Rights

1. The right to pursue their education and assistance in overcoming educational, cultural, emotional and economic disadvantages that create challenges to the educational process.
2. The right to fair and equal treatment without discrimination based on a student's of race, color, religion, sex, sexual orientation, gender identity, age, disability, genetic information, maternity leave, military service and national origin.
3. The right to privacy and confidentiality under the Family Education Right and Privacy Act (FERPA), 20 U.S.C. § 1232g; 34 CFR Part 99.
4. The right to procedural and substantive due process in disciplinary or grievance matters.

Student Responsibilities

1. To be knowledgeable of and to comply with federal, state, and local laws, and ordinances.
2. To be knowledgeable of and to comply with all directives, policies, and procedures of Cape Cod Community College.
3. To choose behavior that does not interfere with the learning environment of others inside and outside of the classroom, including College events.
4. To review all information that is shared with students in official college communications.

Section 1: Introduction

The Code of Conduct was created with the goal of fostering an environment that ensures student learning and open access to higher education. All students are responsible for following the policies in the Code.

Section 2: Philosophy & Learning Outcomes

The Code of Conduct process is intended to be an educational process that supports the mission of the College. The Code is intended to encourage personal responsibility, integrity and ethical decision-making.

Students who participate in this process should achieve the following learning outcomes:

1. Understand how the Code supports the goals and mission of the College;
2. Understand the possible impact of their choices on their academic and personal success;
3. Accept personal responsibility for the choices and decisions made and the impact of their behavior on the College community;
4. Reflect on their ethical obligations as a student in the College community;
5. Recognize the value of the student conduct process as an educational opportunity; and
6. Identify ways to address their behavior so it does not negatively impact their educational goals or the community in the future.

Section 3: Application of the Code of Conduct

Students are provided a copy of the Student Code of Conduct annually in the form of a link on the College website. Hard copies are available upon request from Assistant Dean Santos. A link to the Code will also be included in all communications with any students involved in the conduct process, regardless of their role in the situation. Students are responsible for reading and following the policy.

The Code of Conduct shall be used to address student behavior as referenced in this policy. The Code of Conduct applies to the conduct of individual students and College-affiliated student

organizations. For the purposes of student conduct, the Code defines a student as an individual who:

1. has been issued a student identification number; or
2. has received an offer of admission; or
3. is enrolled in courses, whether full-time or part-time, credit or non-credit; or
4. is participating in a non-degree, dual enrollment, or early college program; or
5. is not currently enrolled but has a continuing educational relationship with the College.

The College retains conduct jurisdiction over students who choose to take a leave of absence, withdraw, or have graduated for any misconduct that occurred prior to the leave, withdrawal, or graduation. If sanctioned, a hold may be placed on the student's ability to re-enroll, obtain official transcripts, and/or graduate and all sanctions must be completed prior to re-enrollment eligibility.

The Student Code of Conduct applies to behaviors that take place at the College; in any of its facilities; on any of its grounds, partner sites, or program centers; or at any College related activity regardless of location.

The College reserves the right to take action for off-campus student behavior when such behavior adversely affects the College community, poses a threat to the health or safety the College community; interferes with the College's pursuit of its objectives and mission, and/or if a student is charged with violating state or federal law. Proceedings under this Student Code may be carried out prior to, simultaneously with, or following civil or criminal proceedings.

The Student Code of Conduct may be applied to behavior conducted online or electronically via email, social media, or other electronic format.

Section 4: Discrimination, Sexual Harassment, and Sexual Violence

Claims of discrimination, sexual harassment and sexual violence, including Title IX offenses, such as rape, sexual assault, domestic and dating violence and stalking, shall be addressed under the College's Policy on Affirmative Action, Equal Opportunity and Diversity by the College's Affirmative Action Official and/or Title IX Coordinator. For more information, please contact the College's Affirmative Action Official and/or Title IX Coordinator.

Section 5: Definitions

- A. Administrative Resolution** – A resolution of a complaint, which is mutually agreed upon by the CCA and the Student. An Administrative Resolution shall be put in writing by the CCA, signed by the CCA and the Student and maintained in a student’s disciplinary file. An Administrative Resolution shall result in a Student waiving their right to a Student Conduct Board hearing or Appeal.
- B. Appeals Officer** – The College’s designated administrator responsible for reviewing appeals. In cases of academic dishonesty, the Appeals Officer shall be the College’s senior academic officer or designee.
- C. Code of Conduct Administrator (CCA)** – The College official charged with the responsibility of administering the College’s Student Code of Conduct. A member of the Massachusetts Community College Council (MCCC) shall not be selected to serve as the CCA.
- D. College Official** – Any person employed or contracted by the College to perform administrative, instructional, or professional duties.
- E. College Property** – Includes all land, buildings, facilities, and other property in the possession of or owned, used, or controlled by the College, including adjacent streets and sidewalks.
- F. Complaint** – An allegation of a violation of the Code of Conduct, which is filed with or by the CCA.
- G. Day** – Shall mean a calendar day. The number of days indicated at each level shall be considered as a maximum. All reasonable efforts shall be made to expedite the process, but the CCA may extend the time limits at their discretion with notice to both parties in writing, including for inclement weather and/or College closures.
- H. Outcome** – The final determination of responsibility in the student conduct process. An outcome may either be “responsible” or “not responsible.”
- I. Sanctions** – An obligation that a student or student organization must abide by or complete when found responsible for violating the Student Code of Conduct. Sanctions are not required to be imposed progressively, but are based on the severity and/or frequency of the violation.

Sanctions under this policy shall include, but are not limited to:

1. **Written Warning** – An official written notice to a student that their conduct is in violation of College rules or regulations.
2. **Restrictions/Loss of Privileges** – Restriction or loss of privileges as a student for a specified period of time, including but not limited to: attending College classes, events and/or activities; accessing College property or specifically designated areas; or participating in College organizations.
3. **Educational Sanction** – A project or developmental activity imposed with the goal of educating the student about personal responsibility and/or the impacts of their behavior.
4. **Restitution** - The assessment of financial charges or other forms of reimbursement for any damage or loss incurred by the College or any members of the College community.
5. **Probation** – A student’s status at the College is in jeopardy due to one or more violations of the Code of Conduct. Probation is a more severe sanction than a written warning. Unless expressly authorized by the CCA, a student on probation may not represent the College in any capacity. Examples include but are not limited to: running for or holding office in any student organizations; participating in intercollegiate athletic teams, intramural programs, any student clubs or organizations; representing the college in community service projects; participating in paid or unpaid internship programs or study abroad programs.
6. **Suspension** – Separation from the College or a program, without financial reimbursement, for a specified period of time not to exceed three academic years. Conditions for readmission may be specified, including a reinstatement review and meeting with the CCA to demonstrate that the student is prepared to return to the college environment and abide by the expectations of behavior outlined in the Student Code of Conduct. During the suspension period, the student may not register or participate in classes, use College communication systems such as e-mail, or enter College property and loses all privileges to participate in any College functions, events, or activities without prior written approval from the CCA.

Any suspension may be deferred for a designated period of time, not to exceed one (1) semester. Deferred suspension will be utilized in unique circumstances where deferring the suspension would be in the best interest of the student as determined by the CCA. A student on deferred suspension who is found responsible for an additional

violation of the Student Code of Conduct may be issued additional sanctions, up to and including Expulsion.

7. Expulsion – Permanent separation from the College or a program without financial reimbursement. An expelled student may not be readmitted to the College or a program and a notation of expulsion from the College shall be placed on the student’s official College transcript.

J. Standard of Proof: Preponderance of Evidence – The standard used in resolving a complaint filed under this Code’s Disciplinary Process. The standard is met if the proposition is more likely to be true than not true (i.e.; more probable than not). Effectively, the standard is satisfied if there is greater than 50 percent chance that the proposition is true.

K. Student – The individual whose behavior may have violated the Code of Conduct including any individual who:

1. has been issued a student identification number; or
2. has received an offer of admission; or
3. is enrolled in courses, whether full-time or part-time, credit or non-credit; or
4. is participating in a non-degree, dual enrollment, or early college program; or
5. is not currently enrolled but has a continuing educational relationship with the College.

L. Student Conduct File – The printed/written/electronic file, which may include, but is not limited to, investigatory materials, incident report(s), correspondence, witness statements, and student conduct history.

M. Student Organization – An association or group of persons, including, but not limited to, any recognized student club, organization, or team.

N. Student Conduct Board – Members of the College community selected and trained by the CCA to conduct a hearing when an Administrative Resolution cannot be agreed upon by the student and the CCA or at the request of the student. Members of the Student Conduct Board shall not have any conflict of interest and are required to act in a fair and impartial manner.

O. Substantial Disruption or Interference – Substantial disruption or interference includes conduct: (1) that impedes the regular and essential operations of the College; or (2) where the expressive rights of another are so disrupted or interfered with that they effectively cannot exercise their rights to engage in or listen to expressive activities. Determining what constitutes a “substantial disruption or interference” is decided on a case-by-case basis. Examples include, but are not limited to: shouting down a speaker; disrupting a faculty member’s instruction such that it impedes the learning process; failure to comply with a College Official’s appropriate directives or instructions; threats of harm; harassing conduct; fights or violent behavior; blocking access to or from any College facilities, events or services; or conduct that places health or safety at risk. Substantial disruption or interference does not include conduct that is protected under the First Amendment.

Section 6: Violations of the Law

Alleged violations of federal, state, and local laws may be reviewed and addressed under the Code. When an offense occurs over which the College has jurisdiction, the College conduct process will go forward regardless of any civil or criminal complaint or process that may arise from the same incident.

The College reserves the right to exercise its authority of interim suspension upon notification that a student is facing a criminal investigation (see Section 8D).

Section 7: Expectations of Behavior

A. Core Values and Behavioral Expectations

Section 8: Student Conduct Procedures

A. Discipline for Conduct that Interferes with the College Environment

Interfering in the educational process in a class (or clinical site), is prohibited under this policy. If a student engages in conduct that interferes with the college environment, a faculty member or other College employee may address and resolve the matter informally without filing a complaint under the Code, including temporarily removing the student from a class (or clinical site). On the first occasion when a student is removed, the faculty member or other College employee is strongly encouraged to notify the CCA. In all subsequent cases of removing the same student from a class (or clinical site), the faculty member or other College employee shall notify the CCA. A faculty member or other College employee may seek assistance from Public Safety if necessary to remove a student. A student may not be permanently removed from a class (or clinical site) for a conduct-related offense except upon referral to the CCA of a

complaint for administration under this policy. The CCA can exercise their discretion to allow the accused student to attend class (or clinical site) during the disciplinary process upon consultation with the faculty member and the Chief Academic Officer or their designee.

B. Discipline for Academic Dishonesty

This policy recognizes the right of faculty to manage their class, including addressing directly with students issues of academic dishonesty. When there is information that academic dishonesty occurred, a faculty member may choose to take action as outlined in the course syllabus, including issuing a failing grade for the assignment or the course. Faculty are encouraged to share that information with the CCA. If the CAA is aware of more than one incident of academic dishonesty by this student, in addition to the issuance of a failing grade by the faculty member, the student may be subject to disciplinary action under this policy. If the student believes that there is substantial evidence of error or injustice associated with a failing grade issued because of academic dishonesty, the student may file a grievance under the Student Grievance Procedure's Grade Appeal Process.

Where the issuance of a failing grade by a faculty member for academic dishonesty will result in a student's dismissal from a program (for example in nursing and other health care programs), the charge of academic dishonesty shall be directly referred to the CCA for administration under this policy, which shall be completed, where practicable, within thirty (30) days.

C. Discipline for Off-Campus Behavior

The College reserves the right to take disciplinary action against a student for off-campus conduct when such conduct adversely affects the College community, poses a threat to the health or safety to the College community; interferes with the College's pursuit of its objectives and mission, and/or if a student is charged with violating state or federal law. Proceedings under this Student Code may be carried out prior to, simultaneously with, or following civil or criminal proceedings.

D. Interim Measures

Under certain circumstances during the Code of Conduct process interim measures may be imposed by the CCA including, but not limited to: no-contact orders, restriction/loss of privileges or interim suspension.

The College reserves the right to issue an interim suspension when it reasonably concludes that a student:

1. Poses a threat to others;

2. Poses a threat to College property or equipment;
3. Substantially disrupts or interferes with the normal operations of the College;
4. Engages in off-campus conduct that adversely affects the College community; and/or
5. Is arrested and/or charged with a crime in violation of state or federal law.

During an interim suspension, a student is prohibited from entering upon any College property and participating in any College activities until the complaint has been resolved through the Code of Conduct process. Where reasonably practical, within ten (10) days of the issuance of the interim suspension, the CAA shall meet with the Student to determine whether to continue or revoke the interim measure during the conduct process. A student shall be notified in writing of any determination made at that meeting.

E. Group Violations

A student group or organization and its officers and membership may be held collectively and individually responsible for violations of the Code to the same extent as any individual would be.

Investigations involving student groups or organizations follow the same student conduct procedures. In any such action, individual determinations as to responsibility will be made and sanctions may be assigned collectively and individually and will be proportionate to the involvement of each individual.

F. Amnesty

The health and safety of every student at the College is of the utmost importance. The College recognizes that students who have been drinking and/or using drugs may be hesitant to report violations of the Code due to fear of potential consequences for their own conduct. The College strongly encourages students to report violations to the CCA. A reporting individual acting in good faith that reports a violation of the Code will not be subject to disciplinary action for violations of alcohol and/or drug use policies occurring at or near the time of the Code violation, provided that they did not harm or place the health or safety of any other person at risk. The College may require an educational conference and/or a behavioral plan for an individual who has engaged in the illegal or prohibited use of alcohol or drugs.

G. Complaint of Alleged Violation

Any person may allege a policy violation by any student for misconduct under this code by completing the report available here:

https://cm.maxient.com/reportingform.php?CapeCodCC&layout_id2

The CAA may act on a complaint of a potential violation whether a formal complaint form is completed or not. All allegations can be submitted by a victim or third party, and should be submitted as soon as possible, but no later than 30 days, after the offending event occurs. The CAA may elect to pursue action under the Code for violations reported after thirty (30) days where the behavior posed or may continue to pose a danger to the health or safety of others. The College has the right to pursue an allegation or complaint of misconduct on its own behalf.

Section 9: Formal Student Conduct Process

This policy is not intended to prevent members of the College community from attempting to resolve matters informally. Failure to cooperate with the College's investigation of an alleged Code of Conduct violation, including failing to appear for an Administrative Resolution meeting or a Student Conduct Board Hearing will result in discipline of the Student by the CCA and a forfeiture of their rights to a hearing or appeal.

A. Step 1: Initiation of Student Conduct Process

The Student Conduct Process is initiated once a complaint of an alleged violation is received by the CCA. A complaint is defined as an allegation of a violation of the Code of Conduct, which is filed with or by the CCA. The CAA may act on a complaint of a potential violation whether a formal complaint form is completed or not.

B. Step 2: Preliminary Inquiry

When the CCA files or receives a complaint alleging that a student has acted in a manner which may be in violation of the Code, the CCA may conduct a preliminary inquiry into the nature of the complaint, the evidence available, and the parties involved. The preliminary inquiry may lead to:

- a. A determination that there is insufficient evidence to pursue the investigation because the behavior alleged, even if proven, would not violate the Code and therefore the process ends; or
- b. A determination that the alleged behavior constitutes a possible violation of the Code, resulting in a request to schedule an Administrative Resolution meeting with the CCA within five (5) days; or
- c. Further investigation is needed to make a determination.

C. Step 3: Administrative Resolution

After a Preliminary Inquiry, or when a Preliminary Inquiry is not necessary as determined by the CCA, the CCA will meet with the Student to review the complaint, and provide the Student an opportunity to respond to the allegations.

The Student has the right to be accompanied by any advisor of their own choosing and at their own expense. The advisor may be another student, faculty member, administrator, or an attorney. An advisor's role is limited to advising the Student directly and discretely. An advisor is not otherwise permitted to participate directly in the meeting.

The possible outcomes of an Administrative Resolution meeting include:

- a. A decision not to pursue the complaint based on insufficient information. The matter should be closed and the records should so indicate;
- b. The Student and the CCA reach a mutually agreed upon resolution to the complaint; or
- c. If no mutually agreed upon resolution is reached, the complaint is referral to a Student Conduct Board Hearing.

Under certain circumstances during the Code of Conduct process, interim measures may be imposed by the CCA including, but not limited to: no-contact orders, restriction/loss of privileges, or interim suspension, in a manner consistent with this Code.

An Administrative Resolution is reached only upon the mutual agreement of the CCA and the Student. By accepting an Administrative Resolution, the Student waives their right to a hearing before the Student Conduct Board or an appeal. An Administrative Resolution shall be put in writing by the CCA, copied to the Student and maintained in a Student's disciplinary file. If the CCA and the Student cannot agree on an Administrative Resolution the matter proceeds to a Student Conduct Board hearing.

Failure by the Student to appear for an Administrative Resolution meeting with the CCA will result in discipline of the Student by the CCA and a forfeiture of their rights to a hearing or appeal.

D. Step 4: Student Conduct Board Hearing

1. Overview

A hearing with the Student Conduct Board shall be scheduled by the CCA not later than thirty (30) days following a Student's request for a hearing. If no hearing is

requested, the hearing shall be scheduled by the CCA no later than thirty (30) days from the date of the Administrative Resolution meeting.

A written Statement of Charges shall be presented to the Student not less than five (5) days prior to the hearing. The Statement of Charges shall include a summary of the complaint, administrative or remedial steps taken, the Code of Conduct Charges, and the documentary evidence and witnesses to be presented in support of the Statement of Charges. A Student Conduct Board hearing is an administrative hearing. The rules of evidence do not apply.

In a matter involving more than one Student, the Student Conduct Board may permit at its discretion individual hearings for each Student.

The Student has the right to be accompanied by any advisor of their own choosing and at their own expense. An advisor's role is limited to advising the Student directly and discretely. An advisor is not otherwise permitted to participate directly in the hearing.

2. Make-Up of the Conduct Board

The Conduct Board shall consist of 3-5 members selected by the CCA. The CCA shall appoint from the members a Chair of the Conduct Board, who shall be responsible for administering the hearing. In cases involving academic dishonesty, the Conduct Board members may include faculty, although not from the department where the alleged conduct occurred.

3. Student Conduct Board Hearing Procedure

A hearing is normally conducted in private. There shall be a record created of all hearings. The record shall be the property of the College. All procedural questions are subject to the final decision of the Chair of the Student Conduct Board. Admission of any person(s) to the hearing shall be at the discretion of the Chair of the Student Conduct Board.

A hearing shall proceed as follows:

- a. The CCA presents the Statement of Charges on behalf of the College. The CCA may present documents, materials and/or witnesses in support of the Statement of Charges.
- b. Student responds to the Statement of Charges. The Student may present documents, materials and/or witnesses in response to the Statement of Charges.

- c. Following the parties' presentations, the Student Conduct Board may question each party, their witnesses and/or review all information presented. The Student Conduct Board has the discretion to request additional documents, materials or information from either party.
- d. While direct cross-examination by the parties is not permitted, each party will be given the opportunity to question the other by presenting questions through the Chair of the Student Conduct Board. If the Chair determines a question is relevant, the other party will be asked to respond.
- e. The Student Conduct Board shall have a final opportunity to question the parties.
- f. After the hearing, the Student Conduct Board shall determine by majority vote whether the Statement of Charges has been proven.
- g. A Student Conduct Board's decision shall be based on a preponderance of evidence standard.
- h. Within fifteen (15) days of the conclusion of a hearing, the Student Conduct Board shall issue a written decision that includes a summary of the hearing, findings on each charge contained in the Statement of Charges, the evidence supporting each finding, and disciplinary action taken, if any.

E. Step 5: Sanctions

A student found in violation of the College's Code of Conduct shall be subject to sanctions as defined herein.

A student who violates the Code of Conduct while serving an existing sanction shall be subject to further discipline, up to and including expulsion. The intent of the College is to impose sanctions in a progressive manner, beginning with the least punitive sanction. However, depending on factors, such as the nature and severity of a student's violation and/or prior disciplinary history, the College reserves the right to impose any sanction at any time.

F. Step 6: Appeal

Within five (5) days of receiving a written decision, the Student may file an appeal with the College's Appeals Officer. In cases of academic dishonesty, the Appeals Officer shall be the College's senior academic officer or designee.

An appeal must be submitted in writing and be based on a credible claim that:

1. The hearing was not conducted in conformity with the Code of Conduct;
2. The decision was not supported by a preponderance of the evidence presented;
3. The sanction imposed was not appropriate in light of the Student Conduct Board's decision; or
4. New evidence exists, which was not presented at hearing because it was not reasonably known to the Student at that time, and which is sufficiently relevant such that it could alter the Student Conduct Board's decision.

The Appeals Officer shall issue a written decision within ten (10) days of receiving the appeal. The Appeals Officer may accept, reject, or modify the Student Conduct Board's decision or sanction. The Appeals Officer's decision shall be final.

Section 10: Student Conduct Authority

A. Authority

The CCA is vested with the authority over administering the Student Code of Conduct and the student conduct process. The CCA may appoint administrative hearing officers and Student Conduct Board members as necessary to efficiently and effectively administer the student conduct process. The CCA or their designee will assume responsibility for the investigation of an allegation of misconduct to determine if the complaint has merit.

B. Gatekeeping

No complaint will be forwarded for administration under the Code unless there is reasonable cause to believe that a policy violation has occurred. Reasonable cause is defined as some credible information to support the allegation including a statement by a credible witness, police reports, or news articles. A complaint wholly unsupported by any credible information will not be forwarded for administration.

C. Administrative Hearing Officers

Administrative Hearing Officers may be chosen from a pool of annually trained administrators or faculty selected by the CCA.
