Objectives:

1. To attract qualified students to Cape Cod Community College and University of Massachusetts Dartmouth.
2. To promote and facilitate an efficient transition of transfer students between institutions.
3. To provide specific information and guidelines for transfer students.
4. To encourage academic coordination and cooperation, including curricular reviews, on-site visits, and joint academic advising for students attending Cape Cod Community College.

Stipulations:

1. This agreement applies to transfer students with an Associate of Science in Nursing and Registered Nurse licensure in the state they reside.
2. Upon successful completion of UMD's NUR 301: Transition to Baccalaureate Nursing, Cape Cod Community College graduates may transfer up to 38 nursing credits.

Mutual Responsibilities:

1. Both institutions agree to maintain current listings of the course equivalencies. This will be the responsibility of the two designated representatives.
2. Cape Cod Community College and University of Massachusetts Dartmouth will incorporate a summary of this agreement into official publications and web sites.
3. Cape Cod Community College and University of Massachusetts Dartmouth agree to encourage qualified students to participate in this program by providing information, advising and other assistance required to foster a seamless transition from the two-year institution to the four-year institution.

Review/Revision:

1. Both institutions will periodically review this agreement. Substantive changes in the courses or program of either institution will require a review of this articulation agreement. Revisions will be implemented with one year notice prior to termination of the agreement.
